Reverse outline worksheet

Work with a partner. Read a draft once, in order. Stop after each passage and record what you know before reading ahead.

Who is the reader?

What do they need to understand or do?

Passage	What did you learn here?	What are you wondering now?
1		
2		
3		
4		

Choose one revision

Where did you first need a fact that came later? Name the two passages.

Move or add one sentence. What can a reader now understand sooner?

Compare your reading with the Story demo at wercend.com.
